Food and Agricultural Education Information System

http://faeis.usda.gov/

What is FAEIS? Food and Agricultural Education Information System (FAEIS) is a comprehensive web based survey and database of student and faculty data from the 1862, 1890, 1994 and Non Land Grant institutions. The purpose of FAEIS is to gather, compile and distribute a broad range of higher education information related to the food, agricultural and natural resource sciences.

Why FAEIS? FAEIS data enables institutions to plan, benchmark and strengthen higher education programs in the food, agricultural and natural resource sciences. FAEIS data is critical for developing the Nation’s needed expertise in these fields.

Who uses FAEIS data? University faculty, higher education administrators, government officials, industry professionals and the general public all use FAEIS in various ways.

What types of answers does FAEIS data provide?
